

## FRIDAY'S FLASHBACK

Conference Call:

Hello Lions---

Thanks for participating in tonight's conference call. According to my list, the following Lions participated:

DG David Butler  
DG Carol Rhines  
DG Bill McDonald  
DG Cliff Swoape  
VDG Carmion Fuhrman  
VDG Lynn Wright  
VDG Chuck Bailey  
VDG Linda Justice  
2VDG Dick Kulp  
PIP Austin Jennings  
PID Bill Watkins  
PID Allen Broughton  
PDG Patsy Milom  
CC Bob Corlew

Topics discussed included:

- 1) the appointment of Lion Barbara Farmer to serve as RFB&D Chair.
- 2) Council voted to adopt the revised Policy Manual as published on line, containing revisions through April, 2010, with a notation that there were further revisions at the State Convention 2010 to include revisions on the way in which International candidates will conduct their campaigns as shown on page 8.2 of the revision, that there is a further revision in the duties of the International Convention Chair such that page 3.3 is now obsolete with the revised to be voted on at our next Conference Call, the further caveat that the issues regarding the State Pin Traders Committee on page 3.12 is now under review through the Long Range Planning Committee, and finally with the suggestion that a new "Revised November, 2010" indication would be prominently displayed.
- 3) Discussion concerning ads in the State Directory with some discussion of lowering the ad prices, perhaps allowing \$100 for 1/3 of a page, and lowering other prices accordingly. Further suggestion that we also publish a page showing contributions as contrasted with advertisements. The further discussion was tabled pending our next call.
- 4) The NEXT CONFERENCE CALL WAS SET FOR 9:00 PM Central Standard Time on SUNDAY, DECEMBER 5, 2010.

Quality of the conversation overall, seemed ok, with some noise bleeding over, perhaps from another conference call on occasion. Council chair recommended that all participants give us feed back so as to improve the next conference call. Council chair will be in touch with the provider to discuss technical issues.

Thanks again to 2VDG Dick for his technical assistance to me in helping to get this set up.

Bob Corlew

PS I did get a note from the conference call provider that perhaps we missed a call from 2VDG Diane Wilkerson. Sorry, VDG Diane! I'll do better next time!
