This AEVR event is being held under a new initiative established by the Alliance, the Decade of Vision 2010-2020, which is a sustained program to educate about the beneficial impact of federally funded vision research. AEVR-affiliated organization National Alliance for Eye and Vision Research (NAEVR) has worked with Representatives Tammy Baldwin (D-WI) and Pete Sessions (R-TX), who have introduced H. Res 366, which recognizes the NEI's 40th anniversary and supports designation of **2010-2020 as the Decade of Vision.**
